

PILLOWCASE DIRECTIONS

Cutting Directions: Cut 1 - 28" x WOF for pillowcase body
 Cut 1 - 2-1/2" x WOF for pillowcase accent
 Cut 1 - 9-1/2" x WOF for pillowcase border

- Step 1: Lay pillowcase border out flat with the right side up
- Step 2: Fold accent piece in half and press flat. Lay on top of border
- Step 3: Lay body of pillowcase on top of accent piece with wrong side up
- Step 4: Roll up body of pillowcase over and above edge of border fabric
- Step 5: Bring edge of border fabric up and over body of pillowcase to meet the cut edge and pin along long edge - you will now have all 3 fabrics pinned together forming a long tube
- Step 6: Sew along pinned edge with a 1/4" seam
- Step 7: Turn inside out by pulling through the tube - press flat with accent piece toward pillowcase fabric
- Step 8: With wrong sides together straighten side edge and then sew down side and across the bottom with 1/4" seam
- Step 9: Turn wrong side out - press and sew with 1/2" seam.

Congratulations.....You have now completed the pillowcase!!
