

Procrastinating Quilters Meeting Minutes

December 14, 2017

ANNUAL CHRISTMAS PARTY

We met at the Seville at 6:00 PM

The hall was beautifully decorated. Potluck dishes and desserts were awesome.

The party blocks were turned in at the beginning as we came in. We got a ticket for each block for the drawing. We also received a ticket for the door prizes.

Everyone received a cookie cutter and recipe as a gift.

We played a game for the stocking exchange. We stood in a circle and a story was read. Every time the words Left or Right were used in the story, the stocking moved around the circle in a Left or Right direction. Santa's bag was finally located.

The quilt blocks were handed out and door prizes given.

Clean-up ensued and was done in a flash. Fun was had by all.
